

RETELLING A STORY - FOR YOUNGER STUDENTS

You can use this prop to help your students retell the elements of a story:

- Characters - Who was in the story?
- Setting - Where and When did the story take place?
- Events - What was the sequence of the events?
- Problems - Was there a problem in the story? What was it?
- Solutions - How was the problem solved?
- Theme or Main Idea - The heart in the middle of the hand depicts the theme or the main idea of the story - the heart of the author's message.
